Should I Cosign for my Friend's Bail Bonds?

You have to be VERY careful when you are cosigning someone else's bail bonds. It is a big legal liability. When you cosign for a bail bond, not only are you agreeing to pay the bail bond agent's fee, you are taking full responsibility that the defendant will go to all required court cases. If your friend flees or doesn't show up to her hearings, you'll be on the book of the full bail amount.
